Your Goal

Create a game in Kahoot that will ask questions about the characters, plot and setting that is in a Battle/Desafio book.

Checklist for your Kahoot Game

- Questions asked from one book
- 10-20 questions, no more than 2 True/False questions
- Questions asked are from different parts of the book(beginning, middle, and end)
- Questions are respectful and show creativity
- Questions cite the page where the answer comes from

What to Do?

1. Pick a Battle/Desafio Book
2. Think of questions about the characters, plot, and setting to make a game in Kahoot that someone else could play
3. Think of potential answers (answer choices have some that almost seem right and one right answer)
4. Fill out the template
5. Login to **Kahoot.com**. It will ask you for an email address, use hubbardt@district65.net
6. Create the game based on your template
7. Show it to your teacher or Librarian to get a stamp in your passport.
