Student Directions

Your Goal

Create a game in Scratch or Scratch Jr. that will use the characters, plot and setting that is in a Battle/Desafio book.

Checklist for your Scratch Game

- More than one character from the book and characters do different types of moves
- Game has written down rules
- Game has a goal or way to win
- Game space has elements similar to book/carries the theme forward
- Game shows creativity

What to Do?

1. Pick a Battle/Desafio Book
2. Think of how you could use the characters to make a game in Scratch that someone else could play
3. Login to your school scratch account
4. Create the game using what you learned about Scratch from your coding class
5. Show it to your teacher or Librarian to get a stamp in your passport.
